

Cookout With The Princess - Mysore

If a lot can happen over coffee, you can only imagine how much one can learn from a cookout session hosted by the royal princess herself, Ms. Malini. The cookout is accompanied with conversations of the heritage and history of the city and family. Despite not being in power anymore, the Royal family is still one of the highly respected families in society. The princess takes you on a journey through the rule of the Wadiyar family to what Mysore is now and how the rule has brought about a change in the Mysore Raj.
