

Dine with The Royal Family - Mysore

The royal Wadiyar family of Mysore, though not in power anymore, are still treated as royalty by the locals. Dining with the royal family is less about the actual dining, but more about the history of the Royal family and the stories and experiences that they share. Being one of the oldest families in Mysore, there is no one better to tell you the story of the Mysore Raj and how things are different now from what they were decades ago.
