

## FOOD WALKS

Every land has its signature food fragrances. What stands Bangalore apart is that besides the amazing South Indian food that is native to it, scores of national and International cuisines have also made Bangalore their home. As you walk down any commercial lane, the fragrances change with every corner you turn. The aroma of freshly skewered Tandoori chicken gives way to the tangy fragrance of Indian street food (Chaat); But it's not just local food: you have the most amazing wood fired pizzas, fantastic Arabian biryanis, Kolkata Nizam's rolls and quirky versions of local food. Indulge in Bangalore's cosmopolitan olfactory experience by signing up for our spontaneously rolled out food walks that explore a number of areas.
