

## LEGAL ALIEN COOKOUTS

The way to a man's (or woman's) heart is through his stomach. And this holds true around the world: from the Eskimo man's catch of the day that brings his wife to blush, to the old Malayalee lady's delicious Fish Fry that has a magnetic, calming effect on her naughty grandchildren. It's the same around the world. Even the largest disputes are often resolved over small kitchen tables.

Our cross culture cookouts are platforms for you to experience food cultures, learn recipes, and try your hand at cooking dishes that are iconic of other cultures. Try your hand at Swedish meatballs in the company of a Swede; discover the secrets behind authentic pasta sauce from an Italian; learn the art of Sushi from a Japanese; Stir up a magical Shakshuka under the guidance of an Israeli; and get all your questions about Sauerkraut answered by a German.

These cross culture cookouts are beyond the shared recipes: they are social, fun and a great way to form new bonds from around the world.
