

## SOUTH KERALA

Barely an hour's flight South Eastward from Bangalore, the lush green state of Kerala has conserved the old architecture and heritage.

The city of Trivandrum, an important military base at India's Southern command, is the capital of the state. It's distinguished by its British colonial architecture and many art galleries. It's also home to Kuthira Malika (or Puthen Malika) Palace, adorned with carved horses and displaying collections related to the Travancore royal family, whose regional capital was here from the 18th–20th centuries.

### **HIGHLIGHTS OF WHAT YOU CAN EXPERIENCE**

In Trivandrum, we offer you a quaint experience including homestay, dining experience and cookout with a local chef, a boat ride in the backwaters, walk through a spice garden and do a coffee tasting.

The stunningly beautiful and pristine Kovalam beach also makes this a perfect getaway for romantic couples, families with children, older people, and in season, even surfers!
