

## VINEYARD EXPERIENCES

A road trip that transports you straight from the routine, the grind and the hustle-bustle of city life, to the vast expanse of the countryside, where the air is fresh and you can hear the gravel crunch beneath your feet. You will enjoy the experiences of grape stomping and wine tasting, get a rejuvenating nature walk through the vineyards, and a delicious meal.

This tour is great for couples, families, peer groups and colleagues on an offsite. The most charming trip to make, no matter who you are: a connoisseur of good wine, or a first time drinker, or a non-drinker. As long as you have an appreciation for the outdoors and nature, and if a walk through acres of grape can fill your heart with peace and joy, this is an experience you must sign up for.
